# LOVE WHERE YOU LIVE

## WHY WATERLOO REGION?

Waterloo Region is Canada's  
Technology Capital

Waterloo Region provides rich cultural opportunities, bustling nightlife, affordable housing and public transit. It's only 1 hour from the province's largest city, Toronto, and 1.5 hours from Niagara Falls. Students love Waterloo Region for its versatility, inclusiveness, career opportunities and welcoming communities.

# WATERLOO REGION INDUSTRIES

Conestoga College provides a steady stream of highly skilled and qualified talent to support Waterloo Region's vibrant economy and its many expanding industries:

## ADVANCED MANUFACTURING

Manufacturing is the largest industry in Waterloo Region (Canada's 4th) with over **1850 businesses in this sector**.

## AEROSPACE

Less than a two-hour drive to three US borders (Canada's major aerospace export market), Waterloo Region has over 85 aerospace businesses employing more than **3,240 residents**.

## AUTOMOTIVE

Waterloo Region has more than 80 globally recognized companies in the autotech sector such as Toyota Motor Manufacturing Canada Inc. and Rockwell Automation Inc.

## BUSINESS & FINANCIAL SERVICES

Sun Life Financial, Manulife Financial, and Equitable Life Insurance are some of the notable **900 business and insurance companies** in the area.

## FOOD PROCESSING

The industry is reinforced by Conestoga College's Institute of Food Processing Technology, more than 1,400 farms, 130 regional food manufacturers, and **5,700 jobs** in the food processing sector in 2016.

## HEALTH & LIFE SCIENCES

Emerging **biotechnology, medical and environmental science industries** are gathering steam in the area. Some notable companies include AGFA HealthCare, Unitron, and ON Semiconductor.

## TORONTO - WATERLOO INNOVATION CORRIDOR

The 112 km corridor between Toronto and Waterloo Region contains **15,000 tech companies, 200,000 tech workers**, and hosts more than **170,000 jobs**. The start-up ecosystem is further sustained by our incubator hub, Communitech.

## INFORMATION & COMMUNICATION TECHNOLOGIES

Dubbed as the Silicon Valley of the North, we are home to Canada's largest technology companies such as Google, D2L, and Shopify. With **over 1700 related businesses**, Waterloo is at the centre of Canada's strategy to be a global artificial intelligence (AI) leader.

## WORK IN CANADA.

Click for more info

### WORKING ON CAMPUS

The Jobs-on-Campus program is designed to help provide jobs on campus for international students. Available opportunities are both part-time (during school) and full-time (during scheduled breaks).

### WORKING OFF CAMPUS

Thinking of getting a part-time job? Study permit holders in Canada may gain work experience by working part-time off-campus while completing their studies.

### CO-OPERATIVE EDUCATION

Co-op is a form of work-integrated learning that allows you to apply learning from your academic studies to a real employment setting. This experience provides you with an understanding of the dynamics of a professional workplace and prepares you with the skills needed to contribute to an organization right from the start. Degree programs, plus many diploma programs and graduate certificates, offer an optional co-op. Consider applying for a co-op program at Conestoga!
