

## Joining us in January 2022

### Welcome to MPW

Founded in 1973 by three University of Cambridge graduates, MPW is now one of the best-known and well-respected independent college groups in the UK.

Our colleges, in the heart of London, Birmingham and Cambridge, offer a wide range of opportunities for you to join us in January 2022. As Principals of our colleges, we lead teams dedicated to the success of our students from the UK and around the world. We offer a very individualised approach, with a maximum of nine students in our A level and GCSE classes. Extensive high-quality tutorial provision supports our students' welfare and preparation for university applications. Our students progress to prestigious universities in the UK and beyond; in the last three years, 66% of MPW students' UK university placements were at Russell Group, specialist universities and other University of London colleges.
