Easter Revision in Cambridge

27 March to 14 April 2023

MPW Cambridge was founded in 1987 and is part of the MPW group of independent fifth and sixth form colleges. Our college is situated in attractive Victorian premises on the south side of Cambridge city centre with around 220 term-time GCSE and A level students on roll each year. We offer a broad range of subjects and have a tradition of expertise in intensive, exam-oriented courses. It is this expertise which forms the basis of our Easter Revision programme.

Aims of our Easter Revision Courses

MPW has been running successful Easter Revision courses for over 30 years. The following features are, in our experience, the most important for students' confidence and academic performance:

- intensive revision of core topics and examination practice
- emphasis on understanding rather than learning
- identification of the most common types of exam questions set on each topic
- question-answering techniques and essay-writing skills
- study and revision skills
- exam board specificity

Tuition

Our tutors are highly qualified graduates whose experience has trained them to be particularly adept at building students' confidence quickly and efficiently. Many are GCSE or A level examiners and are therefore attuned to the requirements and approaches of the various examination boards.

Group size is limited to an absolute maximum of nine students. Such small classes are essential in order to provide the close attention that each student requires. Students must expect to work hard for the duration of their courses. They are tested regularly and given advice on the best way to revise in the final run-up to their exams.

Courses Available

Subjects	A level	GCSE/IGCSE
Biology	•	•
Business	•
