PRE-U PROGRAM

- Pre-U program is a tailor-made **grade 12+**, a second chance to re-write and enhance a student's high-school academic performance, including **English language abilities**.
- International students who do not have Ontario credits and who are transferring from a school outside of Ontario will have their secondary school credits **equivalency evaluation**.
- We will determine as equitably as possible the total credit equivalency of the student's previous learning, and the number of **compulsory** and **optional credits** still to be earned towards the Ontario Secondary School Diploma (**OSSD**).
- Students can complete this Program in **one academic year**.
- We encourage students of this Program to study subjects that meet **program-specific requirements** of their target university or college, to increase their chances of being accepted at their institution of choice. These subjects include English Language, Math, Science, etc.
- On completion of this Program and the Ontario Secondary School Literacy Test (**OSSLT**), students will receive an OSSD to go to universities and post-secondary colleges in Canada and many other countries.
- The tuition fee is the same as that of Grade 12.
