Sydney Immerse is an outstanding academic programme, residential at the University of Sydney.

Immerse Education is a leading provider of academic programmes in the UK and internationally. Our 16-18 year old programmes are designed to provide a taster of what it's like to study a subject at university level. Our 13-15 year old programmes are designed to ignite students' interest and help them better understand what subjects they should be pursuing at a higher level.

With diverse and enriching curricula, combined with challenging tutorials designed and taught by Cambridge University, Oxford University and Sydney University tutors, the experience provides a taster of what it's like to study a subject at university level. Our carefully planned schedule ensures that the programme not only meets the academic needs of the participants, but also provides a unique insight into student life through an abundance of activities.
